Parma Residents:

When preparing Nike Pool for the summer, the Recreation Department encountered mechanical issues that require repairs. The Recreation Department is disappointed it will not be able to open Nike Pool on Saturday, June 4 as originally intended. Walters Grove Pool hours will be 10 a.m. to 9 p.m. The Recreation Department will update residents about the status of Nike Pool when more information is available.

The City of Parma apologizes for the inconvenience this may cause residents who typically use Nike Pool and hopes it will be possible to have the necessary repairs completed this season.
